Vereador João Moysés Abujadi

Processo administrativo nº 5.017/2015-PMV

Excelentíssimo Senhor Presidente:

Atendendo à solicitação contida no requerimento supra epigrafado, de autoria do Vereador João Moysés Abujadi, consultada a área competente da Municipalidade, encaminho a Vossa Excelência os esclarecimentos aos quesitos formulados, como seguem:

- 1) Existe em Valinhos alguma demanda reprimida de médicos que atendam a saúde básica? Quais as especialidades em que faltam médicos suficientes?

Resposta: Consoante as informações disponibilizadas pela área técnica da Secretaria da Saúde, a demanda reprimida existente está dentro da normalidade da Atenção Básica, pois o tempo de espera para consulta com médico clínico geral é de no máximo 30 dias, sendo que em algumas Unidades Básicas de Saúde (UBS) as especialidades de Pediatria e Ginecologia possuem prazo de uma semana para agendamento de consultas.

- 2) Qual a justificativa para que Valinhos não esteja participando do programa federal Mais Médicos?

Resposta: Esclarece a referida Secretaria que devido ao Município possuir o Índice de Desenvolvimento Humano (IDH) em 0,819, considerado o mais alto da Região Metropolitana de Campinas, não se enquadra nos critérios do Programa em questão, pois em conformidade com a Portaria nº 1377/2011 do Ministério da Saúde, o qual exigem ao menos 20% de sua população em extrema pobreza, sendo que esta não é a realidade do nosso Município.

PREFEITURA DE VALINHOS

3) Quantos médicos hoje trabalham nas UBS's da cidade? Por favor, enviar uma cópia com o quadro de funcionários e as respectivas cargas horárias.

Resposta: Atualmente, a Secretaria da Saúde possui para atendimento nas Unidades Básicas de Saúde do Município o seguinte quadro de médicos, cuja lista encaminho em anexo:

- 25 médicos clínicos;
- 20 médicos ginecologistas;
- 17 médicos pediatras.

Ao ensejo, reitero a Vossa Excelência os protestos de minha elevada consideração e já patenteados respeito.
